

CIVIL WAR TOURS

www.civilwartours.net

On April 12, 1861, Fort Sumter was fired upon and the most devastating conflict in American history began! Over 600,000 Americans would die within the next four years fighting for their country, their homes, their families and their freedom. No historical event has left as deep an imprint on our country as the Civil War!

Travel back in time to the **First Years of the Civil War** from **Harpers Ferry** in 1859 to **Gettysburg** in 1863. Arrive in Harpers Ferry to meet the great John Brown who sparked the Civil War! Walk on the **Manassas** Battlefield where young men transformed into experienced soldiers in a day! Discover what happened after the Battle of **Antietam** that allowed this war to become more of a “war of freedom”! Your journey will conclude in Gettysburg where both Yanks and Rebs believed the war would end. Learn why it lasted for two more tumultuous years! The finest historians of this century will give you an experience that you and your clients will never forget!!!
